2. Details of Applications open for consultation

HOP Consulting (HOP) based in Brighton & Hove has been commissioned by Port La Salle Pontoon Group (PLSPG) to assist with the full standard licence application relating to proposed works to replace the existing pontoons at Port La Salle, Bouldnor, Yarmouth, Isle of Wight.

The works consist of the replacement and installation of a new pontoon (pontoon area $\approx 95\text{m}^2$). The replacement pontoon will utilise two of the existing guide piles as installed in approximately 2011 and will provide berthing for some 5No. small leisure craft.

The pontoon is to be installed permanently (indefinitely)

Licence application to cover initial pontoon installation works, it is assumed that an ongoing licence is not required once installed. Hence licence activity start / end dates 30 March 2020 to 30 March 2021.
